

Medical Endoscopic Led Cold Light Source ODM

Our Product Introduction

for more products please visit us on electriccleaningvehicle.com

Basic Information

- Brand Name: ODM
- Minimum Order Quantity: 1
- Packaging Details: 45*45*25CM

Product Specification

- Highlight: Medical led cold light source,
Endoscopic led cold light source

Product Description

Product Features

Imported medical-grade LED light source with stable performance.

Long lifespan: LED lifespan ranges from 20,000 to 40,000 hours.

Color temperature: 3000K–7000K, close to natural light.

Illuminance: >2,000,000 Lx, providing strong transparency with continuously adjustable brightness.

High color rendering index (CRI > 90), ensuring a strong sense of depth in the surgical field.

Low-temperature light source, causing no damage to the endoscope. Instant illumination with no startup delay.

Excellent compatibility: Universal light guide bundle interface, compatible with most major brands such as STORZ, OLYMPUS, and WOLF.

Product Specifications

· Power supply voltage:AC220V/50HZ	· Input power:250VA
· Illuminance:>2000000Lx	· Noise level: ≤ 55dB
· Color temperature:3000K-7000K	· Color rendering index: Ra>90
· Luminous flux:>2200LM	· Light output port size: φ 10±0.1mm
· Safety classification: Class I, Type BF	· Operating mode: Continuous operation
