Electric Garbage Cart Residential Communities Reasonable Compact Pure Electric Drive

Our Product Introduction

for more products please visit us on electriccleaningvehicle.com

Basic Information

- Place of Origin: China
- Brand Name: Bochi
- Model Number: SKHG3700-A
- Minimum Order Quantity: 3 sets
- Price: Further communication based on product configuration and parameters
- Packaging Details: Steel structure packing rack
- Delivery Time: 15-30 days
- Payment Terms: D/P,T/T
- Supply Ability: 3000 sets/months

Product Specification

- Length × Width × Height: 4150×1500×2100(mm)
- Curb Weight: 1260(Kg)
- Box Volume: 2.8m³
- Rated Load: 1000(Kg)
- Endurance Mileage: ≥60(Km)
- Battery Capacity: 72V150AH
- Highlight: **Pure Electric Drive Electric Garbage Cart ,
Reasonable Compact Electric Garbage Cart ,
Residential Communities Electric Garbage Cart**

Product Description

New Energy Electric Three-Wheeled Rear Bucket Truck SKHG3700-A

This pure electric sanitation vehicle features an optimized rear-loading compression design for efficient urban garbage collection. The stainless steel lightweight body ensures large capacity and leak-proof transport, while hydraulic automation enables hands-free bin docking, lifting, and dumping of standard 120L/240L trash cans.

Constructed with automotive-grade ST16 cab panels for durability, the truck operates via stepless electric drive with integrated differential transmission, delivering quiet, maintenance-free performance. The energy-efficient hydraulic system prevents secondary pollution during waste handling, making it ideal for streets, communities, and public spaces.

product name	Electric three-wheeled rear bucket truck
Length × width × height	4150×1500×2100(mm)
curb weight	1260(Kg)
Box volume	2.8m ³
rated load	1000(Kg)
endurance mileage	≥60(Km)
maximum speed	30(Km/h)
wheel base	2810(mm)
Maximum Angle of climb	15°
Rated occupant	1 person
electrical machinery	High torque brushless motor 72V4000W
electronic control	Intelligent controller 72V350A
battery	Lead-acid maintenance battery 12V120AH
charger	Smart charger 72V15A
charging time	Charge 6-8 hours
Lights and signals	LED running light, near and far light, turn signal, LCD instrument, electric horn, reversing voice, work warning light.
hoisting appliance	Pump valve connected, linkage work; 1000W power
hang	Front suspension: steel hydraulic rod, coil spring shock absorber; Rear suspension: main pay steel plate; Non-independent suspension
rear axle	Integrated gearbox drive
tyre	Front: 450-12 Rear: 500-12
braking	Foot mechanical connecting rod drum brake; Manual mechanical parking; Rear wheel action
cab	Die stamping molding, ST16 material. Double sheet metal welding, integral back.
