

New Energy Electric Tipper Van Sheet Metal Front Smooth Corrosion Resistance

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Bochi
- Model Number: SKDH5156-A white
- Minimum Order Quantity: 3 sets
- Price: Further communication based on product configuration and parameters
- Packaging Details: Steel structure packing rack
- Delivery Time: 15-30 days
- Payment Terms: D/P,T/T
- Supply Ability: 3000 sets/months

Product Specification

- Brand: Bochi
- Model: SKDH5156-A White
- Maximum Load: 1200kg
- Top Speed: 25km/h
- Motor Power: 48/72V/5KW
- Gradeability: 15%
- Highlight: Corrosion Resistance Electric Tipper Van ,
New Energy Electric Tipper Van ,
Metal Front Smooth Electric Tipper Van

Product Description

New Energy Electric Garbage Transport Truck SKDH5156-A

This electric sanitation vehicle features a corrosion-resistant stamped metal body with streamlined design and semi-enclosed compartment to prevent waste spillage. The triple-door cargo box enables efficient operation while hydraulic dumping ensures reliable waste discharge.

Equipped with PWM-controlled drive system for quiet operation, it includes safety features like delayed start, reverse deceleration and speed control. The resistive accelerator ensures durability with minimal maintenance.

Ideal for waste collection in urban areas including streets, residential zones, transport hubs, and public spaces.
